ORDER

Adopted: September 7, 2000

Released: September 8, 2000

By the Accounting Policy Division, Common Carrier Bureau:

1. The Accounting Policy Division has under consideration a Letter of Appeal filed by Richmond County Public Schools (Richmond), Hamlet, North Carolina, on May 4, 2000, seeking review of a decision issued by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC or Administrator).¹ Richmond seeks review of the SLD's denial of requests for discounted services under the schools and libraries universal service support mechanism.² For the reasons set forth below, we deny the Letter of Appeal and affirm the SLD's denial of Richmond's requests.

2. Upon review of the record, we conclude that SLD correctly denied Richmond's requests for support. To receive support for discounted services, the Commission's rules provide that, with limited exceptions for existing, binding contracts, an applicant must comply with the Commission's competitive bidding requirements, including the posting of a request for services (FCC Form 470) on SLD's website for 28 days.³ Because Richmond checked Item 10, in Block

¹ Letter from Suzanne W. Griffin, Richmond County Schools, to Federal Communications Commission, filed May 4, 2000 (Letter of Appeal).

² Section 54.719(c) of the Commission's rules provides that any person aggrieved by an action taken by a division of the Administrator may seek review from the Commission. 47 C.F.R. § 54.719(c).

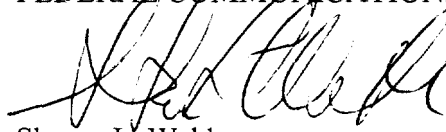

³ 47 C.F.R. §§ 54.504, 54.511(c)(1) (exempting from competitive bidding requirements (1) contracts signed before July 10, 1997, for the life of the contract; and (2) in Year 1 only, contracts signed between July 10, 1997, and the opening of

3 of its FCC Form 470, indicating that it sought support only for services provided pursuant to existing, binding contracts, SLD did not post Richmond's request for services to SLD's website. The contracts for which Richmond seeks support, however, do not meet either of the limited exceptions for existing, binding contracts permitted by the Commission's rules. Accordingly, consistent with prior Bureau decisions, SLD correctly denied Richmond's requests for support.⁴

3. We find no basis for Richmond's claim that it should receive funding because it allegedly received misleading information from SLD. Such statements are insufficient to exempt Richmond from having to comply with our policies.⁵ Rules and policies are enforced, even where a party has received erroneous advice from a government employee, and the Commission is not estopped from enforcing its rules in a manner that is inconsistent with the advice provided by the employee, particularly when the relief requested would be contrary to an applicable statute or rule.⁶ Because Richmond offers no further basis for considering its request, the Bureau denies Richmond's Letter of Appeal.

4. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, and 54.722(a), that the May 4, 2000, Letter of Appeal filed by Richmond County Public Schools, Hamlet, North Carolina, IS DENIED.
